

True North Insight Scholarships

General Information

- Scholarships are awarded on a first come, first served basis. Because of limited funds, we must restrict scholarships to one per person, per year; a limited number of scholarships are available for each retreat. We are grateful for the support of Galilee in helping us to make scholarships available.
- Each scholarship application is carefully considered in terms of financial need and funds available. Due to limited resources, we cannot guarantee that every application will result in a scholarship. Please be assured, however, that we will do our best to help you attend a True North Insight retreat.

Deposit

- All retreats require a deposit on registering, even if you are applying for a scholarship. The deposit for someone applying for a scholarship is \$75. However, this does not guarantee that a scholarship will be awarded.
- TNI must also receive a completed Registration Form for a scholarship application to be processed.

Cancellations

- If you need to cancel your registration, please do so early! This gives us time to offer a scholarship to someone else in need. The TNI cancellation policy applies to scholarship applications.

If you would like to apply for a True North Insight Scholarship, please complete the application form on the following page. Mail it to True North Insight, P.O. Box 1211, Hudson, Quebec, Canada J0P 1H0.
